Video Player is Very Bad.
Upload is Pretty Bad and Painfully Slow.
2. Play back dose not work properly. We n
eed either Increase the Size by default. or
show the video in Popup..

Video Function is very important and don't
want to compromise.

Can we Move this more to right so it looks like it is under the original Comment.

Could you please Fix the the Stretching Issue.

Question: Can you Tell what is the Size to which the Photo are down sized to?

Can we Remove "State" From Editables. As State is extract from Suburb.

Otherwise If Change State without Suburb it wont work good for Searching.
